

# Seahorse XF Analyzers AGILENT CELL ANALYSIS SEMINAR & WORKSHOP

Center for Neuroscience & Cell Biology (CNC)

April 26<sup>th</sup> - 27<sup>th</sup>, 2022

## Join us for an Agilent Cell Analysis Seminar & Workshop!

This **free workshop** will give a general overview of **Agilent Cell Analysis technology** and will show Agilent's new functional, kinetic, cell based assays targeting key disease areas.

### During the Workshop you will learn:

- How cell analysis technology measures both respiration and glycolysis in live cells
- How to conduct simple and powerful metabolic assays
- How to easily evaluate data using Seahorse Analytics

## Program Overview

### Tuesday, April 26<sup>th</sup>

15:00 - Experimental and practical session (max. 15)

### Wednesday, April 27<sup>th</sup>

10:00 – 11:30 - Seahorse technology: news, applications and technical aspects (open)

12:00 – 13:00 Seahorse analytics: How to design and analyze from the cloud (open)

14:00 - Experimental and practical session.
